*The term 'choir organised event' includes rehearsals and workshops.

Details of care:

- All members are required to take care, including cleaning as necessary, of all uniform items.
- When considered necessary by the choir's general committee uniform items will be replaced at choir cost.
- Should an item need replacing at any other time and the reason for replacement considered to be due to lack of care, the cost of replacement will be the member's responsibility.
- Should a member need to replace any uniform item for a different size then, whenever possible, this should first be done from the existing choir uniform stock.
- Upon leaving the choir all uniform items provided by the choir must be returned in a clean and serviceable condition. Failure to do this will result in a charge, e.g. cost of cleaning or replacement, on the leaving member.

Exceptions:

Any situation arising that is not covered by the above terms must be submitted to the choir's general committee for consideration and decision.
